

Flanders Collection Car 2011

Regulations

Subject: International exhibition, exchange mart and sales show on vehicles, their parts and retro-objects: juke-boxes, enamel plates, etc..., all going back to the days before 1987. Stands with miniatures, books and old catalogues, treating about the subject are also allowed. Special collectible vehicles made after 1987 are allowed subject to the organiser's consent.

Location: Halls 3, 5 and 7 in Flanders Expo, Ghent, E40 - Exit 14 "Expo", Belgium

Dates and opening hours: 12 & 13 February 2011, from 9.30 am until 6.30 pm

Stand allocation: The exhibitors are not allowed to let out the surface area that they have been awarded, to any third parties. A stand with the desired dimensions will be attributed to the exhibitor within the possibilities of the organiser.

Each demand for participation has to be confirmed by a signed or online registration form.

Contribution to the costs: The exhibitor buys 4 entrance tickets with his registration for the total amount of 25 €, excl 6% VAT. A stand on a corner is a stand of which the front and one side are accessible to the public. A stand against a wall means that the rear of the stand is against a wall.

All carpet, purchased by the exhibitor, is his property and can be taken with him after the fair.

Dimensions are expressed in width (front) x depth, in this order. Except for entrance cards, the VAT amounts to 21 %,

Clubs: Any club adding an extra touch to the show by setting up a decorative stand, does not have to pay the contribution. Except for club articles, no direct sale of articles like e.g. spare parts and/or cars are allowed.

Entrance Tickets: Every exhibitor buys with his registration 4 entrance tickets for the total amount of 25 €, excl 6 % VAT. Supplementary tickets can be bought at 7 €, excl 6 % VAT. One entrance ticket is valid for one day only.

Terms of payment: After enrolment, the participants will receive a letter of acknowledgement. The total amount on this letter is to be paid within a delay of 10 days. The reservation of your stand is only made after we received the payment. For international payments, the IBAN code BE25 7310 0324 0882 and the BIC code KREDBEBB.

After enrolment, the total amount is due even if the exhibitor does not show.

Supply and removal: The cars and/or stands are to be supplied on Friday 11 February from 10.00AM until 10.00PM. They are to be removed on Sunday 13 February from 6.30PM until 11.00PM. We have to remove all the materials & cars which are still in the Halls after 11.00PM on the expense and risks of the owner.

Waste: Only paper and cardboard waste can be left on the stand. Under no circumstances is the exhibitor allowed to leave other waste like f.e. old spares, glass, etc.. in the halls or on the car park. Exhibitors not observing this regulation will be charged for the removal costs.

The floor has to be in a condition that it can be cleaned simply by mechanical sweeping. All other necessary actions needed to clean the floor (and adjacent walls), like f.e. removal of carpet-tape, remainders of glue, oil, etc ... will be cleaned at the exhibitor's expense.

Stand security: By providing stand space, the organiser has fulfilled all his obligations towards the exhibitors. The organisers bear no risk whatsoever with expects to any damages, fire and/or theft. Each participant is responsible for the equipment on his stand, both during and beyond the visiting hours. The exhibitor needs to have a proper insurance for damages to third parties. His stand must be manned by qualified personnel during opening hours. Each participant is obliged to disconnect the battery/batteries of his vehicle(s) and to have a fire extinguisher at the stand. Furthermore, the exhibitors are not authorised to start any vehicles during the exhibition.

An insurance for fire can be effected. Please contact the organisation for this matter. It is not allowed to smoke in the halls.

Particular arrangements: If the organiser deems it would turn out to be impossible for the entire event, or part thereof, to take place, the participants-exhibitors will not be entitled to any compensation, damages or loss of profit whatsoever.

In addition, the organiser reserves the right to disqualify any exhibitors -even after being entered and having paid the deposit and/or stallage- refusing to comply with the instructions given by the organiser or the qualified personnel.

A raise of 30% of the costs caused by exhibitors not following these regulations (like e.g. removal, cleaning, etc...) is applicable.

Disputes: By taking part in the show or the fair, the exhibitor acknowledges that he agrees to the rules and regulations. Only the courts of Antwerp are competent, and are entitled to settle any differences whatsoever, undiminished the right of the organiser to prosecute the exhibitor at his residence. Only the Dutch text is legally binding.
